

## PLANT STAND 942

**THIS PLANT STAND WAS** designed by Josef Frank for Svenskt Tenn during the second half of the 1930s. The table has a stand in black steel as well as in varnished brass. The removable trays are made of stainless steel. The table is primarily intended for indoor use.

**DESIGN:** Josef Frank / **HEIGHT:** 86 cm / **LENGTH:** 95 cm / **WIDTH:** 102 cm

# PLANT STAND 942

**MATERIAL** Stand in steel with varnished brass feet. The removable trays are made of stainless steel.

**CARE INSTRUCTIONS** To clean, use a soft cloth dampened with a mild detergent or soapy water. Make sure to wipe the surface dry immediately. Dry in the direction of the material's grain.

Lacquered or coated pieces can be harmed by direct contact with heat and prolonged humidity. Remember that water-filled vases can cause condensation. Never leave water or other liquids to dry by themselves on the surface as this can miscolour it or cause calcium deposits. Scratches can be extra visible on colour-coated surfaces, but at the same time, these are also part of the table's character. If there is deeper damage to the metal, we recommend you to contact an expert to avoid corrosion.
