

# COFFEE TABLE CAP D' ANTIBES

DESIGNER: PER ÖBERG, 2018

The Cap D'Antibes table is a square variant of the coffee table "Nizza", designed by Per Öberg for Svenskt Tenn in 2018, inspired by the wrought iron furniture typically found in the south of France. Nizza's glass cabinet form was created in the spirit of Svenskt Tenn's founder Estrid Ericson, with trays that pull out and glass for display. The legs, with their brass feet, enclose the glass shelf in the same way as in furniture designed by Josef Frank.

Cap D'Antibes was created with Villa Mabrouka on Cap D'Antibes in mind. The villa from the 30s was renovated, rebuilt, and furnished under the leadership of Per Öberg during 2019 – 2021.

## CARE INSTRUCTIONS

Wipe Svenskt Tenn's glass tables with glass cleaner and a soft cloth. To clean the frame, use a soft cloth dampened with a mild detergent or soapy water. Make sure to wipe the surface dry immediately.

Lacquered or coated pieces can be harmed by direct contact with heat and prolonged humidity. Scratches can be extra visible on colour-coated surfaces, but at the same time, these are also part of the table's character. If there is deeper damage to the metal, we recommend you to contact an expert to avoid corrosion.
