

ARMCHAIR 3543 OXFORD

ONE OF SVENSKT TENN'S CLASSICS from recent years, Oxford or Armchair 3543, was designed by Ragnar Hulsén during the late 1960's. It was a wing chair with a classic cut but also a seating furniture of its time. The Wing chair was popular in Sweden in the mid-60's and many manufacturers soon came to have at least one in their repertoire. This chair has a high back, upholstered frames and rests on a wooden frame of straight, square legs.

ARMCHAIR 3543 OXFORD

MATERIAL Wooden frame. Seats of no-sag springs. Stuffed with foam rubber/polyether and synthetic batting. Cushion fabric covers are removable. Leg frame of stained beech.

CARE INSTRUCTIONS Feather cushions are sewn in three sections and uniquely assembled to provide the best possible seating comfort. All types of feather cushions need to be puffed up to maintain their resilience. Shake and puff up the cushions regularly and knead them to loosen up any feather bunches.

The legs are screwed on and may need to be tightened from time to time. For additional protection we recommend using extra covers for the armrests.
