

RUG PARSLEY AND THYME

DESIGNER: LARS NILSSON, 2018

The generous Parsley and Thyme rug was named after the flavourful spices that grow on the island of Capri in Italy. The rug is handmade from a blend of wool, linen warp and naturally treated sheepskin. It is part of the Capri collection, designed by Lars Nilsson for Svenskt Tenn during the spring of 2018.

CARE INSTRUCTIONS

The rug is made out of hand spun, uncoloured wool yarn on linen warp. The colour may vary depending on the wool's natural colours. Smaller stains can be removed with a damp cloth. For larger stains, dry clean or specialist water wash is recommended.
