

## CHAIR 2025

**JOSEF FRANK FELT THAT** a dining room chair should be so light that it can be lifted with only one finger, and that the user should easily be able to move the chair around in the room. He designed this graceful chair in 1925, for his company Haus und Garten in Vienna. In order to create a excitement in the design, Josef Frank often chose to mix different kind of woods and materials. So even in this classic chair.
