TROLLEY 691 GLAS

MATERIAL Frame of powder painted iron with three cut glass shelves. The glass shelves are loosely placed inside small flaps.

CARE INSTRUCTIONS Wipe Svenskt Tenn's glass tables with glass cleaner and a soft cloth. To clean the frame, use a soft cloth dampened with a mild detergent or soapy water. Make sure to wipe the surface dry immediately.

Lacquered or coated pieces can be harmed by direct contact with heat and prolonged humidity. Scratches can be extra visible on colour-coated surfaces, but at the same time, these are also part of the table's character. If there is deeper damage to the metal, we recommend you to contact an expert to avoid corrosion.
