

THE BRIDAL COUPLE

Wedding gifts are often the keepsakes of a lifetime. A gift registry at Svenskt Tenn makes it easier for both the bridal couple and the guests when it's time to find suitable wedding presents.

HOW DOES THE GIFT REGISTRY AT SVENSKT TENN WORK?

We review needs and wishes together with the bridal couple and gather them together in a wedding registry. Wedding guests can then access the registry and choose among the products selected by the bridal pair. We register everything that is bought so you won't get the same gift twice.

HOW DO WE REGISTER OUR WISH LIST?

Visit Svenskt Tenn Concierge on Strandvägen 5, or mail your wish list to: wedding@svensktenn.se.

WE WILL BE GETTING MARRIED IN ANOTHER PLACE. IS IT POSSIBLE FOR OUR GUESTS TO LEAVE THEIR WEDDING GIFTS ON STRANDVÄGEN 5?

We are happy to help by holding the wedding gifts at the store. It will not only make it easier for your guests, but also for the bridal couple if you don't need to think about how to transport the gifts to and from the wedding. We will make a note of this request on your gift registry so it will be clear for all of the guests that the gifts should be left at Svenskt Tenn.

The guests leave their name in connection with their purchased gift. This way it will be easy for you to send a thank-you card after the wedding. We will send all of the gifts to your home after the wedding.

HOW DO WE INFORM OUR WEDDING GUESTS THAT WE HAVE A WEDDING REGISTRY AT SVENSKT TENN?

There are pre-printed information cards that can be sent together with the wedding invitation informing guests that you have chosen a wedding registry at Svenskt Tenn. Information cards can be picked up at the store or ordered by contacting Svenskt Tenn's wedding department.

IS IT POSSIBLE TO EXCHANGE OR RETURN A GIFT THAT WE DIDN'T WISH FOR?

Of course.

WHAT HAPPENS IF EVERYTHING WE WISHED FOR ON OUR LIST IS PURCHASED?

You can request that we monitor the list from the time you put it in the registry up to the wedding. If all of the products are getting bought up, we will contact you to check if you want to add more items to the registry.

IS THERE SOMETHING WE SHOULD THINK ABOUT WHEN WRITING A WISH LIST?

From experience we know that wedding guests will often want to choose between many different items when they are deciding which gift to give. It's important that the guest finds a gift that feels personal and right. It is also common for a few guests to buy a wedding gift together. Therefore it's good to vary your wishes both regarding style and price so that the gifts are appropriate for as many of the wedding guests as possible.

WEDDING GUESTS

CAN I SEE A WEDDING REGISTRY ON SVENSKT TENN'S HOMEPAGE?

It isn't possible to see a registry on Svenskt Tenn's homepage. Mail us at wedding@svenskttenn.se and we will help you find the list you are looking for. Provide the bridal couple's name and date of the wedding. A list will be sent that is updated and clearly marked with information regarding what has been sold and what is left to choose from.

CAN I RESERVE A PRESENT ON A REGISTRY?

To keep all items available to all guests, we do not reserve any gifts from the bridal couple's registry. Please send the 16-digit order number and the bridal couple's names to concierge@svenskttenn.se if you order your gift online. We will then mark the item as sold.

CAN I SHOP FROM A REGISTRY WITHOUT VISITING THE STORE ON STRANDVÄGEN 5?

Many wedding gifts can be ordered on Svenskt Tenn's homepage. Please inform the wedding department about the product you purchased so it can be crossed off the registry.

If the bridal couple wishes for something that can't be bought on the homepage, contact Svenskt Tenn's customer service and we will help you make the purchase: +46 (0) 8 670-1600 or info@svenskttenn.se

HOW DO I KNOW THAT NO ONE ELSE WILL BUY THE GIFT THAT I WANT TO BUY?

When you have bought or reserved a gift the registry is updated. This makes it clear to subsequent wedding guests what has been sold and what is left to choose from.

IF I CAN'T FIND ANYTHING ON THE WISHLIST THAT I WOULD LIKE TO PURCHASE AND INSTEAD DECIDE TO BUY SOMETHING ELSE, IS IT POSSIBLE FOR THE COUPLE TO EXCHANGE THE GIFT?

Of course.
